OKLAHOMA SPORTS SCIENCE AND ORTHOPAEDICS

A DIVISION OF THE PHYSICIANS' GROUP or HPI PHYSICIAN, LLC

FINANCIAL POLICY

Thank you for choosing Oklahoma Sports Science & Orthopaedics (OSSO) as your healthcare provider. At OSSO, we are dedicated to providing the highest quality, most cost effective care. We specialize in adult and pediatric orthopaedics, sports medicine, physical medicine and rehabilitation, pain management, reconstructive and orthopaedic spine and hand surgery.

In addition to accepting traditional insurance plans and Medicare we are contracted with numerous Preferred Provider Organizations (PPO) and Health Maintenance Organizations (HMO). Because each plan is different, and constantly updating providers' participation status, please check with your particular plan to make sure we are currently participating in your network. We ask that you assist us in maximizing your insurance coverage by cooperating fully in all referral, prior authorization and pre-certification processes. **Please be aware that all insurance carriers do not consider some services rendered a covered benefit. It is important that you are aware of your insurance policy provisions of coverage.**

Accurate, up-to-date information is the patient's responsibility; please notify our office of any changes in your insurance or personal billing information. Please bring your current insurance card, or any other information that is required by your insurance company to each appointment. By maintaining updated information this ensures that your medical claims are filed correctly and prevents any unnecessary delays in processing your claim.

Payment for all co-insurance, deductible and non-covered services are due at the time of service unless special payment arrangements have been made. Payments can be made by cash, check, money order, Visa, Discover, American Express or MasterCard. We do have a payment plan for patients who have financial concerns. Please notify our office at 405.427.3705 to make financial arrangements. Please be aware that charges for physical therapy, durable medical equipment, laboratory testing, anesthesia, hospital, ambulatory surgery facilities and some radiology services may be billed separately.

If your injury was due to a motor vehicle accident (MVA) you will be setup of a self-pay account for any charges incurred up to \$500. If charges exceed \$500, a claim will be filed with the third party insurance carrier. In order to file this claim, complete billing information will be requested from the patient. A lien may be filed with the third party in order to ensure payment to the physician. **Please note that not all OSSO/HPI-P Physicians will accept third party/MVA patients.**

There is a \$35 charge for any FMLA, disability or accidental form completed. This charge is applicable per form completed and is payable prior to completion. There is a \$50 charge for any appointments not cancelled within 24 hours.

If you require surgery or other invasive procedures are scheduled at Community Hospital or Northwest Surgical Hospital, please be advised that your physician may have ownership in those facilities. If you wish, you may request another facility.

Again, thank you for allowing Oklahoma Sports Science & Orthopaedics to participate in your care.

Sincerely,
OSSO Physicians and Staff

POST SURGERY OPIOID CONSENT FORM

Instructions: Please review the information listed below and **initial next to each item** when you have reviewed and feel you understand and accept what each statement says.

Patient Name:	DOB:	Initials
My surgeon will prescribe an opioid medication to help my control and manage post-surgical pain.		
This medicine is used to decrease and manage my pain but will not take away my pain completely.		
I will stop using the opioid medicine as soon as my pain is manageable and will use over the counter pain relievers if possible to manage the pain.		
I will contact my provider if the medicine does not control my pain when I take it as prescribed or if I have any adverse reactions to it.		
I will follow-up with my provider for post-surgical consultations as instructed or requested by my provider.		
If I do not use all of the medicine prescribed, I will ensure that it is disposed of properly in order to prevent its misuse by someone else.		
I will safely store the medicine to minimize that children or other people will NOT take it.		
When I take this medicine it may not be safe for me to drive a car, operate machinery or take care of other people. If I feel sedated, confused, or otherwise impaired by these medications, I should not do things that would put other people at risk for being injured.		
When I take this medication, I may experience certain reactions or side effects that could be dangerous, including sleepiness or sedation, constipation, nausea, itching, allergic reactions, problems with thinking clearly, slowing of my reactions, or slowing of my breathing.		
I may become physically or psychologically dependent or addicted to this medication if I take them continuously so I agree to stop using them at the earliest possible time and to take no more than is necessary to control my pain.		
I will tell my provider if I or anyone in my family has had any problems with mental illness or with controlling drug or alcohol use in the past.		
Taking too much of my pain medication, or mixing my pain medications with drugs, alcohol, psychiatric medicine, or other medications that cause sleepiness, such as benzodiazepines, barbiturates, and other sleep aids, could cause me to be dangerously sedated or to overdose and stop breathing.		
It is my responsibility to tell any provider that is treating me or prescribing me medications that I am taking opioid pain medications so that they can treat me safely and do not give me any medications that may interact dangerously with my pain medications.		
I will not use any illegal substances, such as cocaine, etc., while taking this medicine.		
If I travel out of the country while taking this medicine, I will notify the appropriate travel authority (usually the consulate website of the country) and obtain a note from my provider before travel, as traveling out of the country with opioids may pose problems.		
For females: I understand it is my responsibility to inform my provider if I am pregnant.

APPOINTMENT NO SHOW AND LATE POLICY

Appointment No Shows

A NO SHOW appointment is a missed appointment without notifying our office 24 hours prior to scheduled appointment. If your appointment is scheduled for a Monday, we require notification no later than the Friday prior to your appointment.

- The first NO SHOW will result in a call or e-mail reminding you that you have missed your appointment and will need to reschedule for another day.
- The second NO SHOW will result in a call or e-mail and a \$50.00 charge to the patient, not your insurance company. This must be paid prior to scheduling your next appointment.
- The third NO SHOW will result in a dismissal from the practice.

Late Policy

We understand that even the most punctual person can occasionally run late. If that is the case, please call us prior to your appointment time so we can get you rescheduled. If the schedule allows, the appointment time will simply be shifted to accommodate the delay. However, if the tardiness can't be accommodated, we will reschedule your appointment for another day. If you are late to your appointment, but do not call us prior to your appointment time, we will give your time away to another patient.

- Patients arriving early or on time will be seen in the order they were scheduled.
- Post-Operative patients arriving 10-30 minutes late will be seen, but will have to wait while we see patients who arrived to their scheduled appointment on time.
- Non Post-operative patients arriving 10-30 minutes late will be asked to reschedule.
- Any patient arriving more than 30 minutes late will be asked to reschedule.
