FINANCIAL POLICY

Thank you for choosing Oklahoma Sports Science & Orthopaedics (OSSO) your premier healthcare provider. At OSSO, we are dedicated to providing the highest quality, most cost effective care. We specialize in adult and pediatric orthopedics, sports medicine, running injuries, physical medicine and rehabilitation, pain management, reconstructive and orthopedic spine surgery, and hand surgery.

In addition to accepting traditional insurance plans and Medicare, we are contracted with numbers Preferred Provider Organizations (PPO) and Health Maintenance Organizations (HMO). Because each plan is different, and constantly updating providers' participation status, please check with your particular plan to make sure we are currently participating in your network. We ask that you assist us in maximizing your insurance coverage by cooperating fully in all referral, prior authorization and pre-certification processes. Please be aware that all insurance carriers do not consider some services rendered a covered benefit. It is important that you are aware of your insurance policy provisions of coverage.

Accurate, up-to-date information is the patient's responsibility; please notify our office of any changes in your insurance or personal billing information. Please bring you current insurance card(s), or any other information that is required by your insurance company to each appointment. By maintaining updated information this ensures that your medical claims are filed correctly and prevents any unnecessary delays in processing your claim.

Payment for all co-insurance, deductible and non-covered services are due at the time of service unless special payment arrangements have been made. Payments can be made by cash, check, money order, Visa, Discover, American Express, or MasterCard. We do have a payment plan for patients who have financial concerns. Please notify our office at 419-8444 to make financial arrangements. Please be aware that charge for physical therapy, durable medical equipment, laboratory testing, anesthesia, hospital, ambulatory surgery facilities and some radiology services may be billed separately.

If your injury was due to a motor vehicle accident (MVA) you will be setup on a self-pay account for any charges incurred up to $500. If charges exceed $500, a claim will be filed with the third party insurance carrier. In order to file this claim, complete billing information will be requested from the patient. A lien may be filed with the third party in order to ensure payment to the physician. Please note that not all OSSO Physicians will accept third party/MVA patients.

There is a $35 charge for any FMLA, disability, or accidental form completed. This charge is applicable per form completed and is payable prior to completion.

If you require surgery or other invasive procedures and are scheduled at Community Hospital or Northwest Surgical Hospital, please be advised that your physician may have ownership in those facilities. If you wish, you may request another facility.

Again, thank you for allowing Oklahoma Sports Science & Orthopaedics to participate in your care.

Sincerely,

OSSO Physicians and Staff

Appointment No Shows

A NO SHOW appointment is a missed appointment without notifying our office 24 hours prior to scheduled appointment. If your appointment is scheduled for a Monday, we require notification no later than the Friday prior to your appointment.

- The first no show will result in a call or email reminding you that you have missed your appointment and will need to reschedule for another day.
- The second no show will result in a call or email and a $50.00 charge to the patient, not your insurance company. This must be paid prior to scheduling your next appointment.
- The third no show will result in a dismissal from the practice.

Late Policy

We understand that even the most punctual person can occasionally run late. If that is the case, please call us prior to your appointment time so we can get you rescheduled. If the schedule allows, the appointment time will simply be shifted to accommodate the delay. However, if the tardiness can't be accommodated, we will reschedule your appointment for another day. If you are late to your appointment, but do not call us prior to your appointment time, we will give your time away to another patient.

- Patients arriving early or on time will be seen in the order they were scheduled.
- Post-operative patients arriving 10-30 minutes late will be seen, but will have to wait while we see patients who arrived to their scheduled appointment on time.
- Non Post-operative patients arriving 10-30 minutes late will be asked to reschedule.
- Any patient arriving more than 30 minutes late will be asked to reschedule.
