FINANCIAL POLICY

Thank you for choosing Oklahoma Sport Science & Orthopedics as your healthcare provider. At OSSO we are dedicated to providing the highest quality, most cost effective care. We specialize in Adult and Pediatric Orthopedics, Sports Medicine, Physical Medicine and Rehabilitation, Pain Management, Reconstructive and Orthopedics Spine Surgery and Hand Surgery.

In addition to accepting traditional insurance plans and Medicare we are contracted with numerous Preferred Provider Organizations (PPO) and Health Maintenance Organizations (HMO). Because each plan is different and constantly updating provider's participation status, please check with your particular plan to make sure we are currently participating in your network. We ask that you assist us in maximizing your insurance coverage by cooperating fully with all referral, pre-authorization and pre-certification processes. **Please be aware that all insurance carriers do not consider some services rendered a covered benefit. It is important that you are aware of your insurance policy provisions of coverage.**

Accurate, up to date information is the patient's responsibility; please notify our office of any changes in your insurance or personal billing information. Please bring to each appointment your current insurance card or any other information that is required by your insurance carrier. By maintaining updated information this ensures that your medical claims are filed correctly and prevents any unnecessary delays in processing your claim.

Payment for all co-insurance, deductible, and non-covered services are due at the time of service unless special payment arrangements have been made. Payments can be made by cash, check, money order, Visa, Discover Card, American Express or MasterCard. In most cases we can arrange payment plans for patients who have financial concerns. Please notify our office at 692-3700 to make payment arrangements. **Please be aware that charges for physical therapy, durable medical equipment, laboratory testing, anesthesia, hospital, ambulatory surgery facilities and some radiology services may be billed separately.**

If your injury was due to a motor vehicle accident you will be set up on a self-pay account for any charges incurred up to \$500. If charges exceed \$500, a claim will be filed with the third party insurance carrier. In order to file this claim, complete billing information will be requested from the patient. A lien may be filed with a third party in order to ensure payment to the physician. **Please note that not all OSSO Physicians will accept third party/ MVA patients.**

There is a \$35 charge for any FMLA, disability or accidental form completed. This charge is applicable per form completed and is payable prior to completion.

If you require surgery or any other invasive procedures that are scheduled at Community Hospital, Northwest Surgical Hospital or Community Hospital North, please be advised that your physician may have ownership in those facilities. If you wish, you may request another facility.

Again thank you for allowing Oklahoma Sports Science and Orthopedics to participate in your care.

Sincerely,
OSSO Physicians and Staff

Relationship if other than patient: _____

Oklahoma Sports Science & Orthopaedics

- The pain you are experiencing may be improved, but not eliminated, with the use of narcotic pain medication.
- Once pain medications are prescribed you will be required to have regular office visits to assess your pain status. Your medications will not be phoned in should you be unable to keep these appointments.
- This office fills pain medications for surgical patients only. They are not filled indefinitely. After a period of time your doctor will taper your medications for discontinuation. If discontinuation is not possible or you are not a surgical candidate you will be referred for long-term pain management.
- Your treating physician is to be the only physician who prescribes narcotic pain medications to you.
- It is your responsibility to notify us of any other physician who is prescribing narcotic pain medications to you. It is also your responsibility to inform other physicians that we are prescribing and managing your narcotic pain medications.
- Individuals must be aware that "doctor shopping" is viewed as narcotic drug seeking behavior and is not tolerated. Should this type of behavior occur, your narcotic pain medications will not be refilled and you will be dismissed as a patient.
- Excessive calls requesting pain medications or an increase in the dose or frequency of your pain medications is viewed as drug seeking behavior and is not tolerated. You will be asked to make an appointment to see the doctor before any changes are made.
- Pain medication refill requests are taken and called in MONDAY thru FRIDAY from 8:30 am to 3:30 pm ONLY. PRESCRIPTION REFILLS ARE NOT TAKEN OR CALLED IN ON SATURDAY, SUNDAY, HOLIDAYS, OR AFTER HOURS FOR ANY REASON. We guarantee prescription refills will be processed within 48 hours of the request.
- Federal and state law carefully regulates dispensed or written prescriptions for narcotic medications. Forging or altering a narcotic prescription, or distributing medications to others of their use or for money, is a crime. Such behavior is not tolerated. You will be dismissed as a patient and be reported to the DEA, Police and FDA.
- Lost, stolen, or misplaced prescriptions or medications ARE NEVER REPLACED- NO EXEPTIONS. Your medications and prescriptions are your responsibility.
- Narcotic pain medications may cause sedation and dizziness. You should not drive an automobile nor operate any machinery when taking medications.

Informed consent: I, _____, have been informed and clearly understand the above listed issues regarding the treatment of pain with narcotic pain medications. I understand that this agreement will be filed in my chart as a part of my permanent medical record.
